

Parking

The Republic Center parking garage entrances are located off of St. Paul Street. The entrance ramps are positioned for convenient accessibility from this one-way thoroughfare. Parking garage clearance height inside both garages is seven (7) feet. Parking is available by Valet and Self-park. The valet parking garage is the driveway entrance just past the lobby of St. Paul. Self park may be reserved or unreserved parking and is in the above-ground garage with its entrance located just prior to the St. Paul lobby.

The garage is professionally managed by a separate management company. Please contact the Garage Manager directly at 214-965-8610 or 214-965-8612 for validation procedures, monthly and/or daily rates, and to make arrangements for a billing account for parking validations.

Garage parking hours are as follows:

Unreserved /Valet parking

Monday through Friday	6:00 AM – 8:00 PM
Saturday	8:00 a.m.-3:00 p.m.
Sunday & Designated Holidays	Closed

Reserved/Self Parking

24 hour access with access card

Street level parking is available around the building at the times the valet garage is closed. To retrieve keys after valet garage hours please go to the command center on the lobby level.

The garage entrance and exits will be locked upon closing at 8:00 p.m. The exit ramp for unreserved parking is located on Bryan Street. Please use caution when exiting. The DART light rail tracks are adjacent to this exit lane and passenger trains move near the lane frequently.

Monthly parking fees are due and payable on the 1st of the month prior to which parking privileges are to be granted. Past due accounts are subject to suspension without further notice until payment is made in full.
