

# AD EX 2020 Sponsorship and Giving Opportunities

## Virtual Summer Camps

AD EX is excited to launch a three-day series of architectural day camps for students – with a day of workshops dedicated for the elementary, middle, and high school levels. The series is being developed by practicing architects, in partnership with K-12 and nonprofit educators. Students will not only learn about career paths in architecture, design, and engineering, but also explore how to use design to become better stewards of their neighborhoods and champions for a more functional, beautiful, and equitable city. Our K-12 activities inspire, encourage, and educate students about architecture while highlighting the importance of creative problem solving.

### **Presenting Sponsor \$2,500**

#### **(exclusive opportunity - 1 available)**
